

## DRAFTSPERSON – NEW SHOW PRODUCTION TEAM

**OBJECTIVE** To obtain a position that will enable me to use my attention to detail, strong organizational skills, award-winning educational background, and ability to work well with people.

Coming from a background of onsite project management, travelling as a scuba dive master and travelling with and organizing tours for music acts, my passion is travelling and working with people.

### PROFESSIONAL ACHIEVEMENTS

#### **PROJECT MANAGER**

Managing the onsite requirements for each project (including technical equipment, vehicles, paperwork, safety requirements).

Coordinating a team of 50 staff and their 4 supervisors.

Liaising with clients regarding various project requirements.

#### **MUSIC ACT TOUR MANAGER, PROMOTER AND DRIVER**

Liaising with promoters and venues to book shows.

Organizing equipment, accommodation, vehicles and drivers.

Attending to the personal requirements of the artists.

Managing the load in and load out of equipment.

Managing the daily schedule of the tour.

#### **SCUBA DIVE MASTER**

Organizing, conducting and supervising recreational diving activities, both shore and boat based.

Assisting instructors in conducting training programs and activities for certified divers.

Generally supervising non-training related diving activities by planning, organizing and directing dives.

Assessing the hazards of a dive site and informing the divers of the hazards.

#### **DRAFTER**

3D modelling of parts using Autodesk INVENTOR.

Detailed parts drawings.

Creating prototype models.

Working with an assembly team.

Researching materials and suppliers.

Training production team.

Catalogue layouts and marketing documents.

Software used:

- Adobe InDesign, Photoshop, Illustrator
- AutoCAD
- Autodesk Inventor, Revit

- Key shot
- Photopia
- Microsoft suite (Word, Excel, PowerPoint)

---

**SKILLS** Speak French and English
